As the Rotary year draws to a close, it was very pleasing to hear our Director of Programs, PE Kerry Kirk, report on Tuesday night that most of the projects set down at the beginning of the year have been achieved, including the Global Grant (projects over \$30,000 in value) submission to Rotary International in Chicago for which we thank Kerry and Lawrence Staub. This submission is a first for our Club and only the second for the District. We may have to wait up to three months before we know if the submission to bring water supply to two villages and their schools in the Solomon Islands is successful.

Kerry also spoke of the RI President's world tree planting program. As a Club, we may not be able to fully implement our plan to plant trees along Vineyard Road this Rotary year. We are still waiting for approval from Hume City Council. However, as an alternative so that the Club will meet RI goals, we are asking all Rotarians to purchase a tree and plant it in their own garden. The Club will subsidise these purchases to the value of \$10 per tree.

Last Tuesday Kerry gave us a most enlightening account of the many resources available online from Rotary International. Of particular note is the Rotary Discount Scheme available to members on many types of purchase. Members not present are encouraged to ask Kerry for further details that will enable them to save. Of course, some of these savings could be put toward our own Rotary Foundation through the Every Rotarian Every Year. These tax deductible donations need to be paid to our Treasurer, Barry Baguley, before the end of May. Our Club practice over recent years has been to encourage members, if at all possible, to donate \$100 to this fund. The total given to the Foundation determines the amount the District will have in three year's time for District Grants. The easiest way to donate is to bring your credit card to our Rotary meeting next Tuesday night when you will also be able to hear David Meller from Donations in Kind (DIK). DIK is the arm of Rotary that collects and sends needed equipment to developing areas of the world through local a Rotary Club in the country of destination.

**ROTARY:
MAKING A
DIFFERENCE**

Don't forget about our Country and Western Night on Saturday 26 May at the Sunbury Memorial Hall, 6.30pm for 7.00pm. Entry is only \$15 and it is BYO everything although hot beef roll will be available for purchase. This is a fun night that also raises significant funds for our Rotary projects. Thanks to Mannie Camilleri who has put a great deal of effort into the organisation of the evening including gathering an excellent array of raffle and silent auction prizes.

Yours in Rotary

What does it mean to our club? More importantly what does it mean to the communities and precious souls that rely on our donations for a quality of life we take for granted.

What a privilege it is to be able to make a difference to these people.

Please see Joe Scordia or Barry Baguley if you too would like to donate \$100 or any other amount to EREY and need some help with the online transaction or simply drop into the Bendigo Bank in Sunbury, if you would prefer to do it in person.
