President's Report

Hello Rotarians and Friends of Rotary

What does it mean to be a member of service club in 2018?

Wikipedia, not necessarily the font of all knowledge, I agree, says, "A service club or service organisation is a voluntary non-profit organisation where members meet regularly to perform charitable works either by direct hands-on efforts or by raising money for other organisations."

I am proud to be the President of this Club for 2018/19 and at the AGM I agreed to take it on for one more year. I called for nominations from the floor for President Elect and President Nominee and arguably shocked many of you when no nominations came forward and I agreed to take it on for another year, but that if in the first 6 months of the next term we still did not have a President Elect and President Nominee, that I would actively work to spend all our money and close down the club.

It was fantastic that Rob Rindzevicius agreed to step up and be President Nominee for the year 2020/21 if he was back in the country and then Fred and Janine said they would do it if Rob wasn't.

My faith in the future of the club was restored. Even better over the weekend, Janine and Fred offered to take on President Elect for 2019/2020.

I was wrapped. I will call a special meeting in the New Year to put our Presidential affairs in order and I will pledge to support them as I am confident you all will too.

We also had some great debate on our bylaws and I look forward to working with the Board and Club to now flesh out the new or proposed membership types in 2019.

Over the weekend Bunnings held their community day. The weather was beautiful and I want to thank Janine who worked tirelessly, during the week helping me prepare colouring pages, making lolly bags and signs for our stand as well as Denis, Eva, Mani S, Sheila, Fred and Janine Reinking and Hans for setting up, packing up and manning the stall for an hour or so on the day.

We didn't get as much foot traffic as maybe we would have liked but those that did come to our stall; I expect appreciated our hard work and what we do in the community. Continued on page 3.

Our club is part of the police mentoring scheme this Rotary year and Brad will look to us for guidance and feedback as he builds the concept into a reality.

PADDY'S LAST WILL

Paddy was on his deathbed and knew the end was near. His nurse, his wife, his daughter and 2 sons are with him at his home in Belfast. He asks for 2 independent witnesses to be present and a camcorder be in place to record his last wishes.

When all is ready he begins to speak: "My son Seamus, I want you to take the houses in Cultra."

"My daughter Geraldine, you take the apartments over in Malone Road."

"My son Patrick Junior, I want you to take the offices in the City centre."

"Bridget, my dear wife, please take all the residential properties on the Upper Lisburn Road .

"The nurse and witnesses are blown away. They did not realize the extent of Paddy's wealth. As he slips away, the nurse says to his wife, " Mrs O'Shaughnessy, my deepest condolences.

Your husband must have been such a hard-working and wonderful man to have accumulated all this property" ..

"Property?", his wife replies. "The bugger had a window cleaning round.
