Acting President's Report

Hello Rotarians and Friends of Rotary

During Pres Kerry's absence, hopefully having a great time on Norfolk Island, I will be your acting President this week.

Last week we had Snr Sargent Brad Towers as our guest speaker.

Brad is our Police Mentee although lives in Sunbury is stationed at Broadmeadows.

He talked about a proposed project that relates to parental information evening in relation to drug users.

Parents and family are often in the dark when it comes to family members become involved in drug taking and dealing. Brad is interested with the help of the Rotary Club of Sunbury to set up a forum to assist parents with information from professionals as well as a venue for telling their stories.

Judging by the many questions from the floor we should be able to organise a great and informative forum.

This week we have the Stuart Martin and members of the Sunbury and Macedon Ranges Toastmasters. They will be able to show us a thing or two about public speaking.

Yours in Rotary

Merv Minett, Acting President
