President's Report

Hello Rotarians and Friends of Rotary

What a delightful meeting we had last week. We enjoyed the company of many Sunbury Rotarians including Tracey Stoll and Marianne and Neil Williams with their son Paul Harris Fellow, Cameron along with many other members. I would like to thank the airline for their shift scheduling, enabling Brenton Anderson to attend our meeting this week and didn't he catch up. He agreed to do the Response on the evening, the Bunnings BBQ, the floor sealing and even led the singing of the National Anthem to close the meeting. Thanks Brenton.

Our guest speaker Councillor Leigh Johnson spoke about his role in the Hume City Council as well as his, now part time, role as a member of the police force here in Sunbury. A New Zealand born, Leigh has lived in Sunbury for over 30 years and is a very proud Australian citizen and family man.

Leigh advised the Rotary clock required some repairs and promised to keep us informed of progress.

He talked of his passion for volunteering, the Boilerhouse theatre company, local football and his work with the youth of Sunbury. He briefly mentioned the Hume Global Learning Centre is progressing and due to open in 2019, this may be a potential resource we can book and use for future meetings or events. He also mentioned that the council had asked the Liberal party to speak to them of what their plans might be regarding the City of Sunbury out of Hume (yes again) but that that had not happened as yet.

My thanks to all the volunteers who worked this week at the Bunnings BBQ and the Shed, sealing floors. Damian, Merv and Brenton in particular who backed up doing both on Friday, while the sun was out.

Next week we will have a short discussion on the police mentoring program our Club has been invited to participate in and I will give a brief presentation on the 2018 Rotary International Conference I attended in June this year in Toronto Canada. I will link this talk to one or 2 of the UN Sustainable Development Goals. I do hope as many of you as can, can come along and enjoy some fellowship and good company.

Remember, any one needing a lift to the meeting, or just wanting to talk, raise an issue or discuss an idea, please reach out to me either on 0408 346 175 or kerry.kirk9@gmail.com if you prefer. My mind and door will always be open.

Yours in Rotary, Kerry Kirk President
