President's Report

Hello Rotarians and Friends of Rotary

It was a treat to have Terry McCabe back in Sunbury and able to chair our meeting last week. Thank you Terry. We are missing a few of our regular members during the Melbourne winter season and do hope they are enjoying the sun where ever they are. On the off chance they are reading the Rotasun, I can report the sun is starting to return to Sunbury so they can feel safe to come home and join us here again. We look forward to welcoming back Dave, Mike and Linden all in Europe and Janine in Bali as well as Terry Grant and Barry in Queensland, hopefully in the not too distant future to name a few. Robert Iles and Lesley are currently visiting their son and family in the USA.

Thank you for listening to me, last week as I spoke of the inspiration I took away from the Toronto 2018 Rotary Peace Summit and International Conference.

I have high hopes for the role that Rotary is playing in addressing the challenges on our planet and in particular of the international relationship we have formed with Mediators beyond borders and the potential for clubs to get involved in peace initiatives.

I will meet up with one of our young Peace Fellows in a neighbouring District next month and see if we can collaborate on a local initiative in Sunbury.

This week I also attended a Gateway Rotaract meeting where they had 3 speakers talking about the use of social media for club marketing, LinkedIn for career opportunities and Toastmasters (Sunbury Branch) on the objectives and potential for learning public speaking. Their meeting was well attended. They are planning something for Halloween with the Melbourne Rotaract Club and it inspired me to ring around to see if I could get some one to speak to us about the old Sunbury mental hospital. Watch this space. I spoke with a Julie from Sunbury Tours who will get back to me.

Thursday a subcommittee of the Board met to consider some potential bylaw changes; we will take our recommendations to the Board and if approved there take to the AGM in November.

This week our Assistant Governor will be talking to us about his personal experiences with asylum seekers and refugees in the Melbourne Immigration Transit Accommodation Centre in Broadmeadows.

Remember, any one needing a lift to the meeting, or just wanting to talk, raise an issue or discuss an idea, please reach out to me either on 0408 346 175 or kerry.kirk9@gmail.com if you prefer. My mind and door will always be open.

Yours in Rotary, Kerry Kirk President
