President's Report

Hello Fellow Rotarians

Our speaker last Meeting Number 2180 was our very own Jamieson Kirk. Jamieson is well versed on this topic and certainly gave us a lot of information and facts regarding environmental matters with plastics. Well done Jamieson and thanks to those who joined in some 21 of us. I think everyone learnt more re environment issues.

Over the weekend Janine and I joined the Rotary Zone 8 Virtual Conference 2020. There were a lot of speakers, and a lot of great little videos and power points getting their message across. The Push how important EREY contributions are membership, Malaria and polio were high on the list of topics. The Polio push and the contributions required 50million from Rotary and Gates Foundation putting in 100million was successful and we see some 115 cases only around the world from statistics shown. Janine has joined up with a member from Mt Beauty to raise funds between now and October 24th using a RAWCS account for members to donate. A letter to all 63 clubs in our district is also being distributed to see if we can get them all to donate \$100.00 and pass the information via there distribution method to all members. Our Board approved \$200.00 to start the RAWCS account off. It is only days away from final approval.

Our club is still assisting the Salvation Army with the delivery of food packs every Wednesday and Friday and a thank you to all the members able to assist. Wear your Rotary shirt or jacket another way of Promoting our club. Please ensure you have a Permit to Work, Damian or I can supply one if necessary.

At our next meeting, we have Rotary member Peter Cribb talking about Re Cycled Playgrounds. Let us all get behind him to listen to what he has to say as once this Lockdown is out of the way we may be able to get a project of our own. I know Dave and Hans are in communication with Rotary members re this project. Continued Page 2

Again, I would like to thank all members who so far have contributed to our fundraising account with an extra donation in this difficult time. Damian informs me that it is in excess of \$4400.00 so from myself and the Board a Huge Thanks and if you haven't contributed please do so if you are able as it is certainly needed in this time when we cannot do any fund raising activities to donate to the various charities and organisations we normally support over the years to continue to give a small donation when called on.

Reminder to all that Kerry is organising an Online Auction and we are looking at items that we can Auction off. Merv our Web master has created a new Donation page whereby if you go online to our web site you can place your item in and it will automatically produce a thankyou and go onto our list of items for Auction. We are looking to **RAISE** as much as possible and wouldn't it be great to even get to the Seven-thousand-dollar mark so we can continue with our sponsorship of the Humid Crib. If your item does not make this AUCTION List, it will most definitely be used for the Country and Western Night or any other Auction Night we are able to hold.

I did send out to ALL MEMBERS a Memo regarding the selection of Executive Officers for the 2021-22 year as well as Board member's position. The response at this point has been a little disappointing.

THE FUTURE OF OUR CLUB IS IN ALL OUR MEMBERS HANDS.

Our AGM is set for the 10th NOVEMBER and wouldn't it be GREAT to have the positions, locked in. So Please give it some consideration as stated you will get the backing of Everyone within the Club.

Covid19 is proving to be a particularly challenging time as we are now still in stage 4 till the 27th September. Our numbers the past few days have been low so let's keep it up and hopefully get back to a Normal soon.

We all need to keep busy with everyday chores if you are feeling a little down give one of us a call. Janine and I will be calling members just to say hello and ensure you are all well. I wish you all a safe and not too frustrating stage 4 and look forward to the time when we are at the Nook again.

Yours in Rotary
President/ Fred Reinking

Notice

DG Bruce has received a request asking if any Rotarians in our Group have any boxing equipment suitable for a 15 year old girl with PTDS to aid her mental health support program. If any of your members are able to assist with this request the person to contact is Karen Carman at the Austin Email link karen.CARMAN@austin.com.au

DG Bruce would appreciate being copied in to any support able to be offered. Hope someone is able to assist with this request.

Quick facts

Georgetown is Guyana's capital, on South America's North Atlantic coast. The city is culturally connected to the English-speaking Caribbean region and home to British colonial architecture, including the tall, Gothic-style St. George's Anglican Cathedral. A clock tower rises above Stabroek Market, popular for local goods. The Guyana National Museum traces the country's history, while the Bourda hosts cricket matches.

Have a Laugh

Not quite as we remember

Mary had a little pig,
She kept it fat and plastered;
And when the price of pork went up,
She shot the little bastard.

Mary had a little lamb.
Her father shot it dead.
Now it goes to school with her,
Between two hunks of bread.

Jack and Jill went up the hill
To have a little fun.
Stupid Jill forgot the pill
And now they have a son.

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall.
All the kings' horses,
And all the kings' men.
Had scrambled eggs,
For breakfast again.

Hey diddle, diddle, the cat took a piddle,
All over the bedside clock.
The little dog laughed to see such fun.
Then died of electric shock.
